

Grant Writing for Success Resource Guide

All Things Grants

The Foundation Center – A leading source of information about philanthropy, free resources and webinars on a variety of grant topics

Link: <http://foundationcenter.org/>

Chronicle of Philanthropy – Philanthropy publication of record, free resources and webinars on a variety of grant topics

Link: <https://philanthropy.com/>

Grant Research

Foundation Directory Online – Service of The Foundation Center, Exhaustive resource for foundations & corporate donors in easily searchable format, Note this service requires a subscription

Link: <https://fconline.foundationcenter.org/>

Pro-Tip: Many local and university libraries offer free access to Foundation Directory Online

990s – 990s are a tax document that all nonprofits are required to submit to the federal government detailing their financial expenditures and additional information, sometimes including application processes, giving restrictions, and more

Link to free and easily searchable access: <http://foundationcenter.org/findfunders/990finder/>

Writing Guide

Purdue OWL (Online Writing Lab) – Great for all types of writing needs, also offers tips on narrative development for grant writing

Link: <https://owl.english.purdue.edu/owl/resource/981/01/>

Storytelling Training

Marshall Ganz – Senior Lecturer in Public Policy at Harvard University, trained community organizer specializing in relationship building through storytelling, developed free webinars on public storytelling with 350.org

Link: <http://workshops.350.org/toolkit/story/>

Logic Models for Program Development & Metrics

W.K. Kellogg Foundation Logic Model Guide – Provides in-depth overview and step-by-step process of how to develop logic models for your grant programming

Link: <http://www.smartgivers.org/uploads/logicmodelguidepdf.pdf>
